Dear Sailors, Friends, Survivors, and Supporters,

The beach is getting warm, the azaleas are blooming and the wind is blowing (we hope). That can only mean one thing. The Stephen C. Smith Memorial Regatta is here again! This year is our 49th annual event and we are looking forward to sharing it with you and your family. Following two most unsettling years, we truly worked harder than ever to make this year's Regatta the most fun and exciting in history!

The Stephen C. Smith Memorial Regatta benefits the Leon County Unit of the American Cancer Society which serves Leon, Wakulla, Jefferson and other Big Bend Counties. Initially created in memory of a young sailor who died of luekemia, the Regatta now honors all of our friends, family and loved ones whom we have lost to cancer. We also celebrate those who are winning the fight against this dreaded disease.

We hope you enjoy your weekend at the Stephen C. Smith Memorial Regatta. Make sure you check out the activities on the beach, sample the concessions and, most importantly, join in the fun at the auction on Sunday afternoon. We will have some great items up for bid and remember, all proceeds benefit the American Cancer Society.

So don't miss the fun and the sun . . . and please use sunscreen. Good Health & Good Sailing,

49th Annual Stephen C. Smith Memorial Regatta is Proudly Presented by:

The Stephen C. Smith Memorial Regatta Committee Stephen C. Smith Memorial Regatta Foundation, Inc. Wakulla County Department of Parks Apalachee Bay Yacht Club Shell Point Sailboard Club American Cancer Society

American Cancer Society Programs and Services

The American Cancer Society (ACS) has programs and services to help people with cancer and their loved ones understand cancer, manage their lives through treatment and recovery, and find the emotional support they need. And best of all our help is FREE. The ACS provides support for all cancer types; breast, colon and rectal, lung, prostate, skin and all general cancers.

The American Cancer Society also offers many needed services to the cancer patient. We offer wigs for those women and men who may be experiencing hair loss due to cancer treatment. We also provide bras and prosthesis to those women who have had breast surgery. Ensure (nutritional supplement) is also available to those patients who may be experiencing digestive problems. The American Cancer Society also offers transportation reimbursement, out-oftown lodging, and a pain medication assistance program to cancer patients. It is very important that the patient register

with the American Cancer Society as soon as they are told of their diagnosis, as we do not make retroactive payments.

The American Cancer Society also offers wonderful programs for the cancer patient such as Reach to Recovery, Look Good Feel Better. We also offer many educational programs that provide early detection treatment methods and health education information such as our Triple Touch program that provides breast health information, and Work Well Cancer Free, a prevention-oriented wellness program.

Please contact your local American Cancer Society office for more information. Call (850) 297-0588 to register as a patient in the Big Bend area (Wakulla, Leon, Jefferson, Gadsden, Madison, Taylor and other Big Bend Counties).

Program Descriptions:

HOPE LODGE

No cost lodging for patients and families during out-of-town treatment.

MAMMOGRAPHY PROJECT Provides screening mammograms for indigent women.

REACH TO RECOVERY One-to-one visitation program for breast cancer patients.

ROAD TO RECOVERY Volunteers drive patients to and from cancer treatment.

SPEAKER'S BUREAU Trained volunteers provide information about the American Cancer Society's services, programs, and mission.

The Stephen C. Smith Memorial Regatta

Spring is here and so is the 49th Memorial Regatta. Scheduled for April 29 - May 1, 2022, this is the largest and longest running regatta in

DON'T FORGET YOUR JACK RIDNER MEMORIAL AUCTION FAN!

the Big Bend area. Held at Shell Point Beach, the Regatta is for the benefit of the American Cancer Society in memory of Stephen Smith. Stephen was a local sailor who died from a rare form of leukemia at the age of 29. The event is presented by the 49th Stephen C. Smith Memorial Regatta Committee comprised of individuals from the Apalachee Bay Yacht Club, Shell Point Sailboard Club, and the American Cancer Society, with the help of numerous businesses and individuals.

Each year the Regatta has drawn as many as 200 registered participants and hundreds more spectators from all over the Southeast. The event includes off shore racing yachts, dinghies, catamarans, and windsurfers, the most numerous and, arguably the most colorful, participants in the Regatta.

Races are held both Saturday and Sunday with other events for sponsors, spectators and participants. Concessions, dinner and other entertainment on Saturday night, and a live auction on Sunday, are just a few of the activities.

The public is also invited to participate in the live auction on Sunday afternoon immediately after the trophy presentations. Everyone

In addition to many patient services provided to children and adults, the American Cancer Society funds research and public education, which is vital in the fight against this silent killer. The American Cancer

Society receives no government funding and relies exclusively on the generous support of private donations. Since its inception, the Stephen C. Smith Memorial Regatta has been able to contribute over \$500,000, the majority of which has stayed in the Leon, Wakulla and other Big Bend Counties, providing educational programs and patient services to area residents.

Mission Statement

The American
Cancer Society's mission is to save
lives, celebrate lives, and lead the fight
for a world without cancer.

Biography of Stephen C. Smith

The following is an excerpt from an article that appeared in the Hobie Cat Hot Line, Volume 3, Number 3(1974) shortly after the death of Stephen C. Smith.

"Most of us rarely get the opportunity to know the extent of human effort contributed by a person who is committed to getting something done well, and living life to the fullest. Such commitment, when it is accompanied by creativity is an extraordinary experience - one that provides profound inspiration. Knowing Stephen C. Smith was such an experience.

Stephen C. Smith died Saturday evening, February 16, 1974, of pneumonia, at the age of twenty-nine. We had known for two years that he had a rare form of leukemia and was undergoing treatment. We certainly were aware of the possibility of eventually losing him. But Steve's commitment made that possibility seem less real, for he was at work every day until two days before his death. As in earlier months, when he went for weeks with a fever over 100, he continued as if nothing were wrong. Somehow he remained the same creative and witty Steve we had always known.

Steve was the most recent Art Director of the Intermediate Science Curriculum Study of the Florida State University and had been on the staff for more than eight years. His creative and effective art work was a major contributing factor in the success of this project.

Participation in sailing activities, and a lot of hard work for the Yacht Club and Hobie Fleet 43 won Steve the coveted Apalachee Bay Yacht Club Sportsmanship Trophy his last year. His good spirits lifted ours, and the warmth of his personality encouraged us all. We loved the work he did and the man himself.

The ABYC and Hobie Fleet 43 mourn the loss of this unique person. The Yacht Club's annual regatta has been renamed the Stephen C. Smith Memorial Regatta. "We are grateful for the experience of working and playing closely with Steve, of knowing him as a friend, and of being inspired by his commitment, his creativity, and the simple fact that he was Steve Smith."

Windsurfing Competition by Wright Finney

F8

Windsurfing is a sport that readily lends itself to organized sailing competition. The Stephen C. Smith Memorial Regatta has remained one of the largest sailing events of its kind in the region. The structure of sailboard racing allows for competitors of all skill levels, from novice to expert, to sail against others of their ability. Sailboard racing does not focus solely on beating fellow sailors, but more importantly encourages improving windsurfing aptitude. Classes in the windsurfing portion of the Regatta include Longboard Fleet and Formula Fleet for advanced sailors; one-design fleets such as the very popular Kona Fleet; Sport Fleet for intermediate sailors or those seeking less rigorous competition than the advanced classes; and Novice Fleet for beginners, which emphasizes improvement of sailing skills. Subdivisions for Men, Women, Masters (> 35 yrs.), Seniors (> 55 yrs.), Juniors (< 19 yrs.), and weight breaks (Lightweight, Mediumweight, Heavyweight) within each of the three competitive fleets are common in such a large event.

Weather permitting, four windsurfing disciplines may be contested during the weekend: Course, Slalom, Long Distance, and/or Freestyle. Course racing involves negotiating a series of marker buoys which may be arranged in various configurations. During each race, advanced and intermediate sailors will complete one or two circuits around the closed course after a multi-staged starting sequence. Novice racers will negotiate a separate smaller course designed to improve sailing skills and build confidence. Only one starting sequence is used on the novice course. Each race course is supervised by a race committee in a powerboat anchored at one end of the starting line. Up to 5 or 6 course races may be run

on Saturday afternoon, punctuated by a lunch break. A wide variety of sailboards are employed in course racing, ranging from traditional 12-foot long sailboards to Kona one designs to the fast centerboard-less Formula boards. The most advanced sailors use technologically advanced, ultralight raceboards, very long fins, and large,

powerful, clear monofilm sails. These boards and sails can be raced in a wide range of wind and sea conditions, and they will reach very high speeds on certain points of sail. The newest class of sailboards (Formula 3-1 Fleet) is composed of super-wide, high volume shortboards that are extremely fast and maneuverable in moderate to high wind conditions. If the wind exceeds 15 - 18 mph, then slalom racing may be called for. In this discipline, windsurfers negotiate a figure-of-eight course or a downwind zigzag course through a series of marker buoys. Higher winds and choppy seas can bring out the performance-oriented shortboards (9 feet long) and smaller sails.

Long Distance racing is usually featured on Sunday. If winds are light or moderate on Sunday, expect a wide variety of sailboard types and sail sizes to be used for the Long Distance discipline. One of the most spectacular sights of the weekend unfolds as windsurfers from all classes line up just off the beach for the mass starting sequence. Racers sail far offshore to round one of three successive marker buoys depending upon class and then head back in toward the starting point on the beach. This single race can take as long as one hour or more because it is designed to be a test of the sailor's endurance. Changes in wind

> velocity or direction during the race can alter the final standings considerably.

From a crowd enjoyment standpoint, the Freestyle competition wins hands-down. Spectators line the beach before the starting gun anticipating the forthcoming display of accomplished board-handling skills. The

start propels the sailors waiting just off the beach into a frenzy of tricks and radical maneuvers on their sailboards, while a panel of expert judges rates their performance and style. Sails spin and bodies fly as competitors try to out-do their rivals. After a five minute burst of activity, the field is reduced by half and the competition resumes in a series of five minute heats, until one sailor is crowned "King of the Beach" in Freestyle.

At the conclusion of the weekend's racing activities, scores are totaled and trophies are awarded in each division. The top overall local windsurfing competitor is presented with the highest award that a sailor can receive from the Shell Point Sailboard Club: the Dan Smith Memorial Trophy, honoring a member who succumbed to cancer many years ago. Ultimately, however, it is not awards or class/fleet placing which brings people back year after year to race sailboards at the Stephen C. Smith Memorial Regatta - it is the spirit of friendly competition and camaraderie which pervades Shell Point Beach during one of the most enjoyable windsurfing weekends of the year.

The Shell Point Sailboard Club (SPSC) was founded in 1987 to serve the increasing number of windsurfers in the North Florida and Southwest Georgia regions. The club answered the need for a comprehensive, locally based organization dedicated to actively promoting the sport of boardsailing in all forms. In addition to our principal sailing venue of Shell Point Beach in southern Wakulla County, club members launch their craft at Alligator Point, Cape San Blas, St. George Island, and at many area lakes.

Specific objectives of the Shell Point Sailboard Club include: staging and encouraging attendance at regattas throughout the year; sponsoring instructional sessions, sailing clinics, and safety programs to aid both newcomers and veteran sailors; holding seminars on new developments in windsurfing equipment and

techniques; organizing swap meets and special events; and fostering good and Recreation Department. working relationships with the U.S. Coast Guard Auxiliary, local property owners and other yachting organizations.

Each year, the SPSC hosts or co-hosts two major regional sailing regattas at Shell Point, including the Stephen C. Smith Memorial Regatta (spring) and the Endless Summer Sailboard Classic (autum), as well as numerous other smaller events geared toward the local membership. The club has several highly skilled sailors who successfully compete at the national level in US Windsurfing recognized regional sailing circuits, such as the IS Windsurfing Southeast Series. We have also counted among our members the Puerto Rican women's windsurfing representative to the 1992 Summer Olympics, and three members of the US National Olympic Sailing Team.

We also assist local organizations in various efforts. And, during the warmer months, the club provides free windsurfing lessons for all prospective sailors at Shell Point Beach through the Wakulla County Parks

The SPSC has grown rapidly from about one dozen founding sailors to about 70 active members. Club meetings are held the second Tuesday of each month at 7:30 pm at District 850 in Tallahassee. We invite anyone interested in the sport of windsurfing to attend a club meeting or join us any weekend on the beach at Shell Point.

For further details on club activities, visit the SPSC website at:

www.20knotsnob.com

You can contact the club's commodore, Jack May using the website's contact page.

"Congratulations on all the successes! We are looking forward to many more years of this great event!"

APALACHEE BAY

Founded in 1969, the Apalachee Bay Yacht Club (ABYC) is comprised of a group of people who share an interest in sailing, powerboats, cruising, sailboat racing, and the exchange of information to develop and improve sailing and boating skills, as well as the enjoyment of being on the water. From this comes camaraderie, where the ideas and traditions of sailing and boating are discussed, practiced, and followed.

There are approximately one hundred memberships, usually consisting of a couple or family, from Shell Point and throughout the Tallahassee and southern Georgia areas.

ABYC owns a clubhouse with a swimming pool and docks adjacent to the Marsh Harbour Marina at Shell Point. These facilities are the focus of social gatherings, programs, monthly meetings, dinners, regattas, and more. A bar for members and their guests is open during club functions. Club amenities include an ice machine, a barbecue grill, and a number of club owned boats for members' use.

ABYC is part of the Gulf Yachting Association. accordingly, ABYC members ment with sailing and other activities at newsletter, "The Mark". enjoy reciprocal privileges at other clubs from St. Petersburg, FL to Houston, TX.

Locally, ABYC conducts organized cruises to the St. Marks River, Dog Island and other destinations near and far. Throughout the year the club also sponsors a variety of sailing races, including regattas, both spring and fall "big boat" race series, and year-round dinghy racing.

ABYC monthly meeting offer programs for those interested in water activities. Topics are varied and range from the weather, boat maintenance, racing, marine ecology, maritime history, and exotic travel.

Social functions are also monthy throughout the year. These may include a variety of potluck dinners, cocktail parties and themed dinners, sometimes professionally catered and featuring live music. Traditional annual the club's property. Club privileges are events include the Commodore's Ball, Vice-Commodore's Regatta, and the Awards Banquet.

WHEN YOU JOIN

The privileges associated with membership are:

- Use of the ABYC Clubhouse pool and dock facilities by you and your guests;
- Participating in your choice of ABYC sponsored regattas, cruises, and formal and informal social events;
- Attending programs through which you gain more proficiency and enjoythe coast:
- Charging beverages at the state licensed ABYC bar:
- yacht clubs when visiting their facilities; and
- Camaraderie and the helpful exchange of information with like-minded, friendly people.

WHAT IT COSTS

The cost of belonging to ABYC is small relative to the overall investment one typically associates with purchasing and owning a boat. ABYC is owned by its members and Regular Members are required to purchase an "Equity Certificate" that represents their share of ownership of the club. The cost of the certificate is based on the Wakulla County appraised value of extended to the member's immediate family including children still residing at home.

Boat ownership is not a requirement for membership, although many members own a boat of some type ranging from the small sailing dinghies to ocean-cruising yachts. ABYC provides members various opportunities to participate in boating activities.

FIND OUT MORE

To obtain additional information about ABYC or learn about upcoming events, please contact any board member, or go to the web www.ABYConline.org, where you will find ABYC's

- -- Taut life lines (if present)
- --USCG approved life jackets with whistle, one per crew member

ENTRIES AND ELIGIBILITY

Eligible yachts must complete the registration form to participate in the regatta. Each yacht shall have on file a current valid PHRF rating certificate. If you do not have one, one will be provided.

SKIPPER'S MEETING

A skipper's meeting for competitors will be held at the stage on Saturday at 10:30 am.

FLEETS

The regatta will hold races for the following fleets:

- --Spinnaker
- --Multi-Hull
- --Portsmouth/One Design
- --Non-spinnaker
- --Beginner/Cruiser

VENUES AND STARTING LINES

The spinnaker, multi-hull, and nonspinnaker fleets will race in Apalachee Bay.

The Portsmouth/One Design fleets will race off of the Shell Point Beach starting just south of the stage.

TROPHIES

Trophies will be awarded for first, second, third, fourth and fifth place for each fleet in the series.

The Anne Sherwood trophy will be awarded to the winning spinnaker fleet boat. The Dan Harbolt trophy shall be awarded to the winning non-spinnaker boat in the Non-spinnaker fleet.

We Have A Case For Life's Enjoyment

THE IN HOME SAMPLING

We value our customer's knowledge of what they are buying. That is why we believe in the wine sampling as a way to understand wines from around the world, and have a fun experience in the process. This is one of our core values and why we believe this is the best way to buy wine.

PRP Wine International has been providing In Home Wine Samplings to our clients since 1989. Our mission is to deliver a personal In Home Wine Sampling Experience of fun, laughter, and culture to every home. We offer an unforgettable experience that brings the look and feel of the vineyards straight to your doorstep.

49th Annual

Stephen C. Smith Memorial Regatta Chair Kristin Korinko and Event Committee Chairs

Thanks to these individuals for their tireless and dedicated effort, many of whom have logged numerous years organizing this event. Without them the 49th Annual Stephen C. Smith Memorial Regatta would never happen. And, thanks to them, we are looking forward to another successful year.

The Wakulla County Parks & Facilities Management Department

Cody Solburg, Director (850) 745-7780 csolburg@mywakulla.com

The Wakulla County Parks & Facilities Management Department is committed to providing our community with a variety of leisure activities to escape from the everyday life. Our parks, piers, and boat ramps are prime examples of a safe fun filled environment that provides a place to enjoy Wakulla great outdoors. The Parks Division lends a hand in our community when it comes to showing the faces of tomorrow the concept of enjoying life to the fullest. As our community continues to grow the Parks Division will continue to strive to provide the best activities and facilities for our community.

Thank You Cabo's for Many Wonderful Years!
