Dear Sailors, Friends, Survivors, and Supporters,

The beach is getting warm, the azaleas are blooming and the wind is blowing (we hope). That can only mean one thing. The Stephen C. Smith Memorial Regatta is here again! This year is our 52nd annual event and we are looking forward to sharing it with you and your family.

The Stephen C. Smith Memorial Regatta benefits the Leon County Unit of the American Cancer Society which serves Leon, Wakulla, Jefferson and other Big Bend Counties. Initially created in memory of a young sailor who died of leukemia, the Regatta now honors all of our friends, family and loved ones whom we have lost to cancer. We also celebrate those who are winning the fight against this dreaded disease.

We hope you enjoy your weekend at the Stephen C. Smith Memorial Regatta. Make sure you check out the activities on the beach, sample the concessions and, most importantly, join in the fun at the auction on Sunday afternoon. We will have some great items up for bid and remember, all proceeds benefit the American Cancer Society.

So don't miss the fun and the sun . . . and please use sunscreen. Good Health & Good Sailing,

**52nd Annual

Learn to Talk Like a Sailor

Well, the words you'd use in front of your mother anyway. By John McBride

Aft: Toward the back or stern of the boat.

Beat: To go upwind or close to the direction from which the wind blows.

Bow: The front of the boat.

Fender Geek: A boater who leaves his fenders dangling over the sides of the boat while underway.

Fore: Toward the front or bow of the boat.

Helmsman: The person that steers the boat. May, on occasion, yell at the crew.

Jibe: A maneuver that takes the boat through the wind (from starboard to port, or vice versa) whereby the front of the boat passes furthest from the wind (or away from the wind or “downwind”)

Knot: A unit of speed in nautical parlance equaling 1.12 miles/hour. e.g. 8 knots = 8.96 miles/hour.

Lay Line: The line a boat would sail to a mark when close hauled or beating.

Leeward: The side or direction in which the wind is blowing.

Mark: A buoy or marker used in racing.

Multi-Hull: A boat with more than one hull. Includes catamarans and trimarans.

One Design: A fleet or group of boats that are the identical make, length, etc.

P.H.R.F.: A handicapping system (like in golf) based

on the abilities of the boat, not the crew.

Pinch: To point too high toward windward on a beat. This causes the boat to slow down.

Port: The left side of the boat. In olden times this was the side opposite the steering oar used as a rudder. This side was against the dock when in port.

Protest: A formal cry of “foul” against a competitor that is lodged during the race and settled after the race by committee.

Reach: To sail with the wind coming from the side or abeam of the boat.

Run: To sail with the wind coming from the back or astern of the boat.

Spinnaker: The big colorful sail used on the front of sailboats when sailing directly (or nearly) downwind.

Starboard: The right side of the boat. Back when, this was the side on which the “steer board” or rudder was located.

Stern: The back end of the boat. This is where boaters put corny boat names like “Sea-Renity” or “Heidi Ho IV”.

Tack: A maneuver that takes the boat through the wind (from starboard to port, or vice versa) whereby the front of the boat passes closest to the wind (or up into and through the wind).

Wind Shift: A change of direction of the wind.

Windward: The side or direction from which the wind originates.

American Cancer Society Programs and Services

The American Cancer Society (ACS) has programs and services to help people with cancer and their loved ones understand cancer, manage their lives through treatment and recovery, and find the emotional support they need. And best of all our help is FREE. The ACS provides support for all cancer types; breast, colon and rectal, lung, prostate, skin and all general cancers.

The American Cancer Society also offers many needed services to the cancer patient. We offer wigs for those women and men who may be experiencing hair loss due to cancer treatment. We also provide bras and prosthesis to those women who have had breast surgery. Ensure (nutritional supplement) is also available to those patients who may be experiencing digestive problems. The American Cancer Society also offers transportation reimbursement, out-of-town lodging, and a pain medication assistance program to cancer patients. It is very important that the patient register

with the American Cancer Society as soon as they are told of their diagnosis, as we do not make retroactive payments.

The American Cancer Society also offers wonderful programs for the cancer patient such as Reach to Recovery, Look Good Feel Better. We also offer many educational programs that provide early detection treatment methods and health education information such as our Triple Touch program that provides breast health information, and Work Well Cancer Free, a prevention-oriented wellness program.

Please contact your local American Cancer Society office for more information. Call (850) 297-0588 to register as a patient in the Big Bend area (Wakulla, Leon, Jefferson, Gadsden, Madison, Taylor and other Big Bend Counties).

Program Descriptions:

HOPE LODGE

No cost lodging for patients and families during out-of-town treatment.

MAMMOGRAPHY PROJECT

Provides screening mammograms for indigent women.

REACH TO RECOVERY

One-to-one visitation program for breast cancer patients.

ROAD TO RECOVERY

Volunteers drive patients to and from cancer treatment.

SPEAKER'S BUREAU

Trained volunteers provide information about the American Cancer Society's services, programs, and mission.

The Stephen C. Smith Memorial Regatta

Spring is here and so is the 52nd Memorial Regatta. Scheduled for April 25 - 27, 2025, this is the largest and longest running regatta in the Big

Bend area. Held at Shell Point Beach, the Regatta is for the benefit of the American Cancer Society in memory of Stephen Smith. Stephen was a local sailor who died from a rare form of leukemia at the age of 29. The event is presented by the 52nd Stephen C. Smith Memorial Regatta Committee comprised of individuals from the Apalachee Bay Yacht Club, Shell Point Sailboard Club, and the American Cancer Society, with the help of numerous businesses and individuals.

Each year the Regatta has drawn as many as 200 registered participants and hundreds more spectators from all over the Southeast. The event includes offshore racing yachts, dinghies, catamarans, trimarans and windsurfers, the most numerous and, arguably the most colorful, participants in the Regatta.

Races are held both Saturday and Sunday with other events for sponsors, spectators and participants. Concessions, dinner and other entertainment on Saturday night, and a live auction on Sunday, are just a few of the activities.

The public is also invited to participate in the live auction on Sunday afternoon immediately after the trophy presentations. Everyone can have a great time and pick up some great deals while making a contribution to help in the fight against cancer.

In addition to many patient services provided to children and adults, the American Cancer Society funds research and public education, which is vital in the fight against this silent killer. The American Cancer Society receives no government funding and relies exclusively on the

generous support of private donations. Since its inception, the Stephen C. Smith Memorial Regatta has been able to contribute over \$600,000, the majority of which has stayed in the Leon, Wakulla and other Big Bend Counties, providing educational programs and patient services to area residents.

Mission Statement

The American Cancer Society's mission is to save lives, celebrate lives, and lead the fight for a world without cancer.

Biography of Stephen C. Smith

The following is an excerpt from an article that appeared in the Hobie Cat Hot Line, Volume 3, Number 3(1974) shortly after the death of Stephen C. Smith.

“Most of us rarely get the opportunity to know the extent of human effort contributed by a person who is committed to getting something done well, and living life to the fullest. Such commitment, when it is accompanied by creativity is an extraordinary experience - one that provides profound inspiration. Knowing Stephen C. Smith was such an experience.

Stephen C. Smith died Saturday evening, February 16, 1974, of pneumonia, at the age of twenty-nine. We had known for two years that he had a rare form of leukemia and was undergoing treatment. We certainly were aware of the possibility of eventually losing him. But Steve’s commitment made that possibility seem less real, for he was at work every day until two days before his death. As in earlier months, when he went for weeks with a fever over 100, he continued as if nothing were wrong. Somehow he remained the same creative and witty Steve we had always known.

Steve was the most recent Art Director of the Intermediate Science Curriculum Study of the Florida State University and had been on the staff for more than eight years. His creative and effective art work was a major contributing factor in the success of this project.

Participation in sailing activities, and a lot of hard work for the Yacht Club and Hobie Fleet 43 won Steve the coveted Apalachee Bay Yacht Club Sportsmanship Trophy his last year. His good spirits lifted ours, and the warmth of his personality encouraged us all. We loved the work he did and the man himself.

The ABYC and Hobie Fleet 43 mourn the loss of this unique person. The Yacht Club’s annual regatta has been renamed the Stephen C. Smith Memorial Regatta. “We are grateful for the experience of working and playing closely with Steve, of knowing him as a friend, and of being inspired by his commitment, his creativity, and the simple fact that he was Steve Smith.”

Windsurfing is safe, easy and fun. Everyone can windsurf, regardless of strength, body size or age.

About Shell Point Sailboard Club (SPSC)

Organized in 1987, the Shell Point Sailboard Club currently has about 100 members from North Florida, South Georgia, and other regions. The SPSC supports all aspects of the sport of windsurfing for all ages and ability levels, offering free lessons, several racing events per year, and camaraderie for all windsurfers. The Club is an active member of US Windsurfing, the national governing body for windsurfing in the US. Most of our activities center on our main sailing site, Shell Point Beach in southern Wakulla County, hence the name of our organization.

Membership

Membership in the Shell Point Sailboard Club entitles windsurfers to 1) use all Club facilities and equipment, 2) access discounted regatta fees, 3) receive an invitation to the Christmas Party, 4) support the organization of all of the above listed events, and 5) be a part of the largest and oldest continuously operating windsurfing organization in the Southeastern US.

Becoming a member

You can become a member of the SPSC by filling out the form and paying your annual dues found at www.20knotsnob.com/membership via PayPal or mailing it and a check to this address.

Why a Royal Flush for the Win(d)?

It takes a lot to deal with a diagnosis of Cancer. It can be a luck of the draw or may be dependent on which way the winds blow. Either way, the following makes for a great support system:

Friends & Family:

10 of Hearts Card

Type of vessel - Spinnaker/PHRF

The essence of love found in a group of family and friends that are there through thick and thin, no matter what happens.

Community:

Jack of Hearts Card

Type of vessel – Hobie/Weta

A group to provide encouragement and understanding as one learns and deals with Cancer.

Good Medical Team:

Queen of Hearts Card

Type of vessel – Windsurfer

Quality Science to inform, educate, and guide makes the world of difference.

American Cancer Society (ACS):

King of Hearts Card

Type of vessel – Sunfish

Research to further our understanding and supports that make the journey a little easier.

Stephen C. Smith Memorial Regatta (SCSMR):

Ace of Hearts Card

Type of vessel – Spinnaker/PHRF

Raising awareness, while capturing the wind and having fun!

It has been an honor working with fellow Smithereens on the 52nd event. YOU are the champions that make a difference! Thank you for your advocacy.

Sending heartfelt thanks, healthy vibes, and best wishes always!

[TMH.ORG/Cancer](https://tmh.org/cancer)

Founded in 1969, the Apalachee Bay Yacht Club (ABYC) is comprised of a group of people who share an interest in sailing, powerboats, cruising, sailboat racing, and the exchange of information to develop and improve sailing and boating skills, as well as the enjoyment of being on the water. From this comes camaraderie, where the ideas and traditions of sailing and boating are discussed, practiced, and followed.

There are approximately one hundred memberships, usually consisting of a couple or family, from Shell Point and throughout the Tallahassee and southern Georgia areas.

ABYC owns a clubhouse with a swimming pool and docks adjacent to the Marsh Harbour Marina at Shell Point. These facilities are the focus of social gatherings, programs, monthly meetings, dinners, regattas, and more. A bar for members and their guests is open during club functions. Club amenities include an ice machine, a barbecue grill, and a number of club owned boats for members' use.

ABYC is part of the Gulf Yachting Association. accordingly, ABYC members enjoy reciprocal privileges at other clubs from St. Petersburg, FL to Houston, TX.

Locally, ABYC conducts organized cruises to the St. Marks River, Dog Island and other destinations near and far. Throughout the year the club also sponsors a variety of sailing races, including regattas, both spring and fall "big boat" race series, and year-round dinghy racing.

ABYC monthly meeting offer programs for those interested in water activities. Topics are varied and range from the weather, boat maintenance, racing, marine ecology, maritime history, and exotic travel.

Social functions are also monthly throughout the year. These may include a variety of potluck dinners, cocktail parties and themed dinners, sometimes professionally catered and featuring live music. Traditional annual events include the Commodore's Ball, Vice-Commodore's Regatta, and the Awards Banquet.

WHEN YOU JOIN

The privileges associated with membership are:

- Use of the ABYC Clubhouse pool and dock facilities by you and your guests;
- Participating in your choice of ABYC sponsored regattas, cruises, and formal and informal social events;
- Attending programs through which you gain more proficiency and enjoyment with sailing and other activities at the coast;
- Charging beverages at the state licensed ABYC bar;
- Enjoying privileges extended by other yacht clubs when visiting their facilities; and
- Camaraderie and the helpful exchange of information with like-minded, friendly people.

WHAT IT COSTS

The cost of belonging to ABYC is small relative to the overall investment one typically associates with purchasing and owning a boat. ABYC is owned by its members and Regular Members are required to purchase an "Equity Certificate" that represents their share of ownership of the club. The cost of the certificate is based on the Wakulla County appraised value of the club's property. Club privileges are extended to the member's immediate family including children still residing at home.

Boat ownership is not a requirement for membership, although many members own a boat of some type ranging from the small sailing dinghies to ocean-cruising yachts. ABYC provides members various opportunities to participate in boating activities.

FIND OUT MORE

To obtain additional information about ABYC or learn about upcoming events, please contact any board member, or go to the web www.ABYCOnline.org, where you will find ABYC's newsletter, "The Mark".

Visit The Wakulla River House - Watch the Manatees Swim by From This Peaceful Retreat

Only 20 minutes south of Tallahassee, you can leave your cares behind and enjoy the beauty of the Wakulla River. The house includes 4 kayaks and 2 SUPs for you to explore this pristine river. Enjoy your own private dock; you might see the river otters first thing in the morning there as you enjoy your coffee. There are lots of day trips you can take from here to see the beach, go hiking/biking and explore Florida's Forgotten Coast.

The house sleeps six and is pet friendly. You can book it through Airbnb and VRBO. Call or text John McBride at 850-570-3467 to book it directly. Thank You!

Characteristics of a truly great America

Where public service is a virtue

Where the poor can get affordable healthcare

Where we support our allies

Where we don't tolerate bullies and dictators Where nobody is above the law

Where people different from us are valued, accepted, celebrated, and taken care of

Where the poor are taxed equally to the rich

Where jobs and advancements are given on the basis of merit, not on who you know or who you're loyal to

Where health and science policy are based on peer reviewed research by real scientists

Where cabinet positions and administration agency leaders are experts in their fields rather than conspiracy theorists

Where a strong public health system can protect us from viruses and pandemic outbreaks.

Where children are vaccinated against diseases like measles so they can grow up to be contributing adults.

Where science to understand and mitigate climate change is accepted and not ridiculed.

Where toxins and pollutants are not routinely released into the atmosphere and water so people can grow up to be healthy.

Where a free and independent press speaks truth to power

Where foreign aid shows us as humanitarians with common decency

Where Academic freedom and critical thinking are cherished in education without political meddling.

Where church and state are separated as our founding fathers intended

Thank you Michael for your participation throughout your life. Your participation has been in various capacities through the years, whereby you observed, sailed, scored races, won races, ran committees, cooked, provided trophies, worked on the site, obtained sponsors and advertisers, had a beer or two and probably had fun along the way.

Thank you.
